*Revising authority.*

7. (a) For each municipality, there shall be constituted a revising authority consisting of the chairman and two non-official gentlemen to be nominated by the Collector of the district. The chairman shall act as president.

10. Any notice which is required to be sent by the chairman under these rules to any person shall be sufficiently sent if sent by post to the address of that person as given or him for the purpose, or as appearing on the roll, or if there is no such address, to his last known place of abode.

11. On the consideration of any claim or objection or other matter by the revising authority any person appearing to be interested therein may appear and be heard either in person or by duly authorized agent.

V. A candidate whose name has been proposed and seconded shall not vote, but a candidate may withdraw his candidature at any stage, and after so withdrawing, he shall be competent to take part in any ballot. Similarly a candidate who has been eliminated at any stage under rule III may take part in any ballot at subsequent stages.

II. Each councillor shall place his mark on a list containing the names of the councillors eligible for election, against the name, or names if there be more than one vacancy, of the councillor for whom he wishes to vote. Each councillor shall be entitled to vote for as many candidates as there are vacancies to be filled, but no councillor shall be at liberty to give more than one vote to the same candidate.

III. Each list shall then be handed to the president, who, when all the lists have been handed to him, shall record the votes and shall declare the councillor or councillors receiving the largest number of votes to be duly elected to the vacancy or vacancies concerned.

IV. In case of a tie between two or more candidates, the president or the presiding councillor shall ascertain by voting lots in the presence of the council which of them shall be considered to have been elected.

V. No signature or writing of any kind will be permitted on any voting list. Any voting list which contains more marked names than there are vacancies or on which more than one vote is given to the same person shall be invalid.

#### III.—RULES FOR THE ELECTION OF THE CHAIRMAN OF A STANDING COMMITTEE.

I. A candidate for the office of chairman must be proposed by one member and seconded by another. The names of all the candidates proposed and seconded shall be read out by the chairman or, in his absence, the presiding member, and the votes of the members present at the meeting shall then be taken. A Government servant is not qualified to be nominated as a candidate.

II. Every member wishing to vote shall be supplied at the meeting with a slip of paper on which the names of the candidates shall be printed or legibly written in the following form:—

	Single candidate	Vote.
1.		
2.		
3.		

The member will then privately place a mark against the name of the candidate for whom he votes and deposit the slip of paper in the ballot box. The chairman or the presiding member shall then open the box and count the votes in the presence of the standing committee, and declare the result of the election.

Note.—The Councillors shall make adequate arrangements for securing the privacy of the ballot.

III. If there is only one duly nominated candidate as ballot is necessary and he shall be considered to have been elected, provided the proposal is carried by a resolution of the standing committee. If there are two candidates the one who secures the larger number of votes shall be considered to have been elected. If there are more than two candidates the one who obtains the fewer votes shall be eliminated and the votes taken again. If there is an equality of votes among all the candidates, or if two or more candidates lowest on the list have obtained an equal number of votes, a ballot shall be taken in order to decide which of them shall be eliminated. If at such ballot there is an equality of votes, a further ballot shall be taken; and, if this further ballot is also indecisive, the chairman or presiding member shall ascertain by voting lots in the presence of the standing committee which of the candidates shall be considered to have been eliminated. The elimination shall be made until two candidates only are left, when votes shall be taken for the last time and the candidate who secures the larger number of votes shall be considered to have been elected. In the event of there being an equality of votes at the final

stages between the two remaining candidates, the chairman on the presiding member shall ascertain by casting lots in the presence of the standing committee which of the two shall be considered to have been elected.

IV. If there is only one candidate and the proposal to elect him is not carried by a resolution of the standing committee, a fresh election shall be held forthwith in accordance with the above rules.

V. A candidate whose name has been proposed and seconded shall not vote, but a candidate may withdraw his candidature at any stage, and after so withdrawing, he shall be competent to take part in any ballot. Similarly a candidate who has been eliminated at any stage under rule III may take part in any ballot at subsequent stages.

VI. No signature or writing of any kind will be permitted in any voting slip. Any voting slip which contains any signature or writing or on which a mark is made against more than one name shall be invalid.

Notice is hereby given that any suggestion or representation which any person may desire to make respecting the provisions of these draft rules will be considered if submitted within six weeks of the date of publication of this notification. None presented after that date will be considered.

*Draft rules for the election of directors to the validity of an election held under the Madras District Municipalities Act, 1919.*

1. No election held under the Madras District Municipalities Act, whether of a councillor, chairman or vice-chairman, shall be called in question except by an election petition presented in accordance with these rules, to the district or subordinate judge having jurisdiction, by any candidate or elector against the candidate (hereinafter called the "returned candidate") who has been declared by the chairman to have been duly elected.

2. The petition shall be presented within seven days of the date of the declaration of the result of the election and shall contain a statement, in concise form, of the material facts on which the petitioner relies and the particulars of any corrupt practices which he alleges, and shall, where necessary, be divided into paragraphs numbered consecutively. It shall be signed by the petitioner and verified in the manner prescribed for the verification of pleadings in the Code of Civil Procedure, 1908.

3. The petitioner may, if he so desires, in addition to calling in question the election of the returned candidate, claim a declaration that he himself or any other candidate has been duly elected; in such case he shall join as respondents to his petition all other candidates who were nominated for the election but had not withdrawn before the polling.

4. (1) At the time of presentation of the petition, the petitioner shall deposit with it, as security for the costs of the case, a sum of two hundred rupees or such.

(2) If the provisions of sub-rule (1) are not complied with, the district or subordinate judge shall dismiss the petition.

(3) Upon compliance with the provisions of sub-rule (1) the district or subordinate judge shall proceed to inquire into the petition.

5. The judge shall, as soon as may be, cause a copy of the petition to be served on each respondent and on the chairman of the municipal council. Copies shall also be affixed to the notice board of the municipality and of the municipal office. He may also call on the petitioner to execute a bond in such amount and with such securities as he may require for the payment of any further costs. At any time within fourteen days after such publication, any other candidate shall be entitled to be joined as a respondent on furnishing similarly such security as may be demanded by the judge.

8. Every election petition shall be inquired into by the judge, as early as may be, in accordance with the procedure applicable under the Code of Civil Procedure, 1908, to the trial of suits; provided that it shall only be necessary for the judge to make a memorandum of the substance of his evidence of any witness examined by him.

9. (1) An election petition shall be withdrawn without the leave of the judge.

(2) If there are more petitioners than one, an application to withdraw a petition shall be made enough with the consent of all the petitioners.

(3) When an application for withdrawal is made, notice thereof fixing a date for the hearing of the application shall be given to all other persons to the petition and shall be published as in rule 4 supra.

(4) No application for withdrawal shall be granted if the judge is of opinion that such application has been induced by any bargain or consideration which he considers ought not to be allowed.

(5) If the application is granted—

(a) the petitioner shall be ordered to pay the costs of the respondent therefore incurred, or such portion thereof as the judge may think fit; and

(b) such withdrawal shall be communicated to the chairman of the municipal council by the judge.

10. An election petition shall state on the death of a sole petitioner or of the survivor of several petitioners, and such statement shall be communicated to the chairman of the municipal council by the judge.

11. Where at an inquiry into an election petition any candidate, other than the returned candidate, claims the seat for himself, the returned candidate or any other party to the proceeding may give evidence to prove that the election of such candidate would have been void if he had been the returned candidate and petition had been presented complaining of his election.

12. As an inquiry into an election petition, the municipal council may appoint a legal practitioner or other person to attend and take such part therein as the judge may allow.

13. (1) If in the opinion of the judge,

(a) the returned candidate, his agent, or any other person with the concurrence of such candidate or agent, has committed, or abetted the commission of, any one of the offences described in sections 82 to 86 of the Madras District Municipalities Act, or

(b) the election of the returned candidate has been procured or induced, or the result of the election has been materially affected, by any of the following corrupt practices:—

(i) any election offence falling under sections 82 to 86 of the Madras District Municipalities Act which is committed by a person who is not a candidate or his agent, or a person acting with the concurrence of a candidate or his agent;

(ii) any payment or promise of payment to any person whatsoever on account of the non-exercise of any election or from any place for the purpose of securing his vote;

(iii) the hiring, employment, borrowing or using for the purpose of election of any boat, vehicle or animal usually kept for letting or hire or for the convenience of passengers by him;

provided that any person may hire any boat, vehicle or animal or use any boat, vehicle or animal which is his own property to convey himself to or from the place where the vote is recorded;

(iv) the hiring, using or letting, as a meeting-place, for the purpose of any meeting in which election is conducted, of any building, room or other place where late-coming persons are told to the public; or

(v) the result of the election has been materially affected by any irregularity in respect of a nomination paper, or by the improper reception or refusal of a vote, or by any non-compliance with the provisions of the Act or the rules made thereunder, the election of the returned candidate shall be void.

14. (1) At the conclusion of the inquiry the judge shall declare whether the election of the returned candidate is void under rule 13.

(2) If he declares the election of the returned candidate void, he shall further give an order either—

(a) declaring that any other party to the petition who has under these rules claimed the seat has been duly elected; or

(b) ordering a fresh election.

(3) The judge's order under sub-rules (1) and (2) shall be final.

15. When an election is declared void under rule 13 (1) and a fresh election is ordered under rule 13 (2) (b) the seat of the returned candidate shall be deemed to be vacant from the date of the judge's order and the chairman shall forthwith take the necessary steps for holding such fresh election.

MADRAS-600 009, INDIA

#### AWARDS OF HONORABLEMENT, PRIZES AND MEDALS

The following awards of scholarships, prizes and medals have been made by the Synodate for the year 1912:

## THE UNIVERSITY PRIZES.

1. This prize will be awarded for the best essay in Hindi written on any topic connected with Indian Economics by students in Arts of the University of not more than five years' standing who have been here and are resident within the territorial limits of the University.

2. The value of the prize is at present Rs. 500. The prize will be awarded in 1941 and essays should be submitted to the Registrar before the end of February 1941.

3. The essay or essays submitted should have been prepared solely for the purpose of competing for the prize and should not have been published in any manner previous to submission. Each competitor for the prize must forward with his essay or essays a declaration that the above conditions have been observed.

4. While competitors for the prize have unrestricted choice of subject within the limits of Indian Economics, the following suggestions for suitable topics and the methods of presentation are offered for their guidance.

5. The discussion of a particular industry in a particular locality.

(a) A candidate taking this subject should confine himself solely to a locality so limited that he can become personally acquainted with the whole of it, though illustrations of particular points drawn from published reports relating to other localities may well be used. The candidate should investigate family budgets and working conditions of typical families and endeavour to throw light upon the recent history and prospects of the industry and of those engaged in it.

(b) The economic conditions of a particular agricultural district, either with special reference to some agricultural problem of general importance (e.g., Fungus-diseases and Insect-pests in Madras) or with reference to some important local problem such as that of Monsoon-failure in the Tanjore Delta, or the advantages and disadvantages of Marakkashayam on the West Coast.

(c) The economic conditions and problems of some particular caste or defined body of workers in either an urban or rural area, the subject aimed at being an investigation similar to that of Mr. Arjun Das on the Anglo-Indian families in Madras, or that of Dr. Harold Moon on the Untouchables in the village near Poona.

Competitors are not excluded from the choice of other subjects but should select only such as are of sufficiently measurable dimensions as to permit of the production of essays and those of possible value.

Competitors are warned that essays and theses which do not either contain new facts or new interpretations of previously known facts, or present such rearrangements of facts and ideas as make them thus, indeed some point of economic interest will not be considered of merit sufficient to justify the prize.

6. All essays and theses for University Prizes shall be forwarded to the Registrar by the prescribed date by registered post. No essay or thesis shall have upon it the name of the competitor or anything whereby his identity can be ascertained by the persons to whom it is to be submitted for examination. Each essay or thesis for a University Prize should be headed by a motto or a name chosen selected by the competitor and shall be accompanied by a sealed cover bearing on the outside the competitor's motto or name and place and containing his name, designation and address and a signed declaration that the essay or thesis has been prepared solely for the purpose of competing for the prize and has not in any manner been previously published. Essays or theses may be printed, type-written, lithographed or written (but not in the competitor's own hand).
